PK-6th Grade Change for Change

During the months of December, January and February, Shell Lake Elementary students collected change for the Washburn County Area Humane Society through the Change for a Change PBIS initiative. The students were able to donate **\$175** to help care for animals. WCAHS Director Abby Johnson accepted the check from Mrs. Eiden's 5th grade class (representing the elementary as a whole), and told the students exactly how the funds would help animals currently in their care. Way to go, Lakers!

Wellness Committee SMILE

In a busy world, we often overlook the power of a simple smile. It's a universal language that spreads warmth and positivity, brightening someone's day and leaving a lasting impression. Our Wellness focus this month is to remind each of us of the joy in smiling. Research shows the benefits go beyond just mood enhancement; they include stress reduction, improved relationships, and increased productivity. Let's make a conscious effort to smile more often, not only for others but for our own well-being too. Together, we can make a difference, one smile at a time.

Shell Lake Public Library

Tweens and teens 10+ are invited to join us at the Shell Lake Public Library **Wednesday April 10 from 4 to 5 pm**. Embrace will be leading an open discussion about society's expectations of bodies and how to reframe our self-talk to be positive. This is a great opportunity to bring a friend or make a new one. After the discussion, we will have a craft.

Second annual book tasting at Shell Lake Public Library. Adults 18+ are welcome to join us. Guests will sample five courses of books. The same books will be served for both tastings. Light refreshments will be provided by the Friends of the Shell Lake Public Library. Please call the library to be added to the reservation list.
