Change for a Change

Shell Lake Elementary students collected coins & bills for their first "Change for a Change" event of the year. On the final Thursday of each month, students bring in spare change to benefit a local nonprofit.

The first recipient was the Washburn County Food Pantry, and students were proud to donate \$240 to help area families around the holidays. Students in Tracy Diers' 4th grade class helped get the donation ready to send. The next donation will support the Humane Society of Washburn County!
