BUILD

STRONGER RELATIONSHIPS

Strategically engage with students and families through proactive communication to build strong partnerships.

SUPPORT

STUDENT WELLNESS

Recognize the whole child by partnering with local resources for mental and physical wellness while building social-emotional skills.

DEMONSTRATE

BUDGET EFFICIENCY

Ensure long-term viability by right-sizing the district, identifying barriers, and pursuing cooperative opportunities.

STRENGTHEN

COMMUNITY PARTNERSHIPS

Strengthen new and existing partnerships with community-based organizations.

SCHOOL DISTRICT OF SHELL LAKE MISSION STATEMENT

Inspire and support each student to thrive and contribute to society through educational challenges, community engagement, and high expectations.

OUR VISION

A thriving student body contributing to their school, their community, and their future.

OUR CORE VALUES

INHERENT WORTH

We believe all individuals have equal inherent worth and deserve respect and dignity in every aspect of life.

RESPONSIBILITY AND ACCOUNTABILITY

We believe in personal responsibility for our actions, choices, and contributions to the school, our community and the environment.

LIFELONG LEARNING

We believe that education is a continuous process that enriches our lives and contributes to personal and societal well-being.

FAMILY AND COMMUNITY COLLABORATION

We believe that families are central to the development of individuals and that fostering strong family-school-community partnerships is essential for student and community success.

INTEGRITY, HONESTY, AND RESPECT

We believe that integrity, honesty, and respect form the foundation for a free, democratic, and productive society, and we strive to model these values in all we do.

DEDICATION

We believe that setting clear goals, maintaining a strong work ethic, and persevering through challenges are critical to achieving success in both education and life.
