Criteria	List your experiences below:																																		
90% Attendance																																			
25 hours of community service																																			
Workplace learning experience																																			
Industry credential (ex: CNA, CNC, Mechatronics)																																			
2 Dual Credit Courses (Pathway)																																			
Two or more organized Co-Curricular activities																																			

**Life skills and "soft" skills desired by employers:**

- Grit and perseverance
- Goal oriented (*Note: all are setting goals in resource*)
- Self-awareness, self-management and social-awareness (*Note: self management = all students should be managing their goals/grades in resource*)
- Relationship skills
- Responsible decision making (*Note: all students should be making responsible decisions to meet their goals in resource*)
- Growth mindset

Life skill(s) I am working to develop: *(list here & explain how)*
