Reading Plus serves the needs of a wide range of students, including those who have progressed through foundational literacy skills but lack the essential comprehension skills and vocabulary to meet grade–level literacy objectives. Students who need minimal intervention beyond classroom instruction can use the program to improve silent reading fluency. Reading Plus is a computer based program that is personalized and adaptive.

For grades 3–12th

UFLI Foundations, an explicit and systematic program that teaches students the foundational skills necessary for proficient reading. It follows a carefully developed scope and sequence designed to ensure that students systematically acquire each skill needed and learn to apply each skill with automaticity and confidence. The program is designed to be used for core instruction in the primary grades or for intervention with struggling students in any grade.

For grades K–8th
