Did you know? Children of parents who talk to their teens regularly about drugs are 42% less likely to use drugs than those who don't; yet, only a quarter of teens report having these conversations. Red Ribbon Week is October 23-31. Please join youth, parents, teachers, and other citizens across America in celebrating Red Ribbon Week, the oldest and largest drug prevention program in the nation. All students 4K-12 are invited to dress up to celebrate. We will finish the week with a 3 Screen Assembly on Friday, October 28.
