ACT Prep Challenge

The Countdown to the ACT test has begun with 11 weeks before the test. I am challenging you to do as much preparation as possible before this test by using Method Test Prep in your career cruising site. You can work on this during classes when assigned (ELA for example), study hall, or at home on your own. You don't even have to buy an ACT prep book (they are expensive!)

Every Friday a winner will be picked from the top participants in each category.

- Vocabulary Leaderboard
- Most Tasks Completed
- Most Questions Completed

Each Friday, the leaders will receive **a gift certificate to McDonald's, Subway or Alley Cats.**
