

7-12 Daily Announcements

January 4, 2018
Today is a "B" Day.....

Attention Middle School Girls BB players, You must turn in all your paperwork to be able to practice/play for this season....

Also,
High School and Middle School Basketball players, the Lakeview dinner tickets are now due tomorrow morning. If you do not turn them in your could have to pay for them.

Students, please do not use the Handicap doors unless you are truly in need of the Handicap accessibility. We do have students that use this and if you are constantly taking advantage of it then the ones that really do require the use will not be able to use them.

SMILES Mentors are needed again for semester 2. Please stop in and see Mrs. Winesburg if you have the time to mentor an elementary student. We have several spots open.
