Social Media: What Do Parents Need to Know?

Social media apps like instagram, snapchat, and many others have become more and more popular among students, even in our elementary school. Parents and school staff are finding it difficult to navigate the world of social media and prevalent electronic accessibility. This presentation will discuss what is trending in the world of social media and how to monitor use and keep students safe.

The 4K-6 School Counselor, Dana Guetschow, will be presenting at the Media Fair on May 1st from 3:45-4:45. This is geared for parents of all students grades 4K-12.
