Athletic Registrations

Effective November 2017, all Shell Lake School athletic registrations must be completed online. While youth club sports have used online registration for two years, this fall marks the shift to online registration for Middle School and High School sports. By transitioning to this method of registration, the tracking of athlete information becomes much more manageable. After creating an account within the program, parents can track their payments, upload student records, and cancel or add registrations at any time. To get started and create your family's account, click ONLINE REGISTRATION on the school's website - and then ACTIVITY REGISTRATION.

If you have questions about completing your child's Activity Registration, please contact the athletic department's secretary, Kristin Thomas, at 715-468-7815 or email thomask@shelllake.k12.wi.us
