UW-Stevens Point is has a Viewpoint day in two weeks on Saturday, November 5th. Viewpoint Days are the most comprehensive open house opportunities for students to learn all about UWSP. Students meet various staff on campus and will have presentations in regard to admissions, financial aid, involvement, and student life. In addition, students get to meet in small groups with faculty and academic advisors in their intended major. This is a great opportunity for students to begin to visualize their college experience at UW-Stevens Point.

FFA:
