On Thursday, October 12th you and your students will have an opportunity to hear the musical group from Finland called Kardemimmit. This group is being brought to our school through a program called Arts Midwest. If you were with the district 3-4 years ago you may recall a similar set of concerts from other musical groups from around the world.

9-10AM - Workshop with the Vocal Ensemble only in the Choir Room

10:30-11:30 - Concert in the gym with grades 8-11 (all students)

2-3 - Concert in the gym with grades 3-6 (all students)

The concerts are intended to be more than just a musical experience, but also a cultural experience. Attached you will find a description of the clinics/concerts and links to recordings. Feel free to share. Also, please prep your students on concert etiquette - no cell phones at this event.
