

GRADE AT A GLANCE

Welcome to 6th Grade!

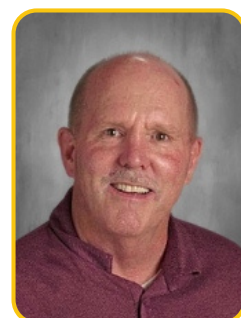

Welcome to sixth grade! Mr. Bouchard and Mrs. Burns are excited to meet you and learn with you this year. In sixth grade you will learn new math topics, improve your writing skills, and continue to build the academic and relationship skills needed for success in future grade levels. *Do the right thing. Care about yourself and others. Be an upstander. Work hard. Have fun!*

- Narrative: Roald Dahl Stories
- Mystery & Investigations: Yellow Fever & Sherlock Holmes Stories
- Greek Mythology
- History of Chocolate
- Novel Unit: Summer of the Mariposas
- Titanic Stories & Research
- Information Literacy & MLA Citations
- Essays: Argumentative, Research, & Informative

AMPLIFY

- Rates & Ratios
- Area & Perimeter
- Variables
- Graphing
- Integers
- Multiplicative Identity
- Fractions
- Unit Rates
- Measures of Central Tendency

COLLEGE PREP MATH

Mr. Bouchard

Mrs. Burns

Sixth grade is full of fun activities and hands-on learning. Some events to look forward to:
